

Subject: Barry Math Olympiad Nov 30, 2017

Barry University Department of Mathematics and Computer Science hosted their 3rd annual Mathematics Olympiad on November 30. Each participating school could bring six students to compete in the team competition. In addition, students also took an individual written test.

Doral Academy Charter placed first in the team event (Tomas Alvarez, Anirudh Rahul, Carlos Estrada, Logan Fontirroche, Ethan Partidas, and Douglas Shu). Tomas Alvarez placed first in the individual test, and was awarded a tablet, and Anirudh Rahul placed sixth and received a set of ear-buds.
